

Kabir Chaturvedi

Product Designer

“I’m a Product designer, trying to create experiences enriched by technology. I enjoy experimenting with the lines between the physical, the digital and the virtual; In hopes of creating things of substance accessible to everyone.”

Education

B.Des Product Design MIT
Institute of Design, Pune
2017 - Present

ISC, 12th Grade Jankidevi Public
School
2015-2017
